Sarah Boulter - Adjudicator

Since paving her professional dance career, Sarah has become a well known Australian house-hold name due to her world class choreography. Described as “boundary breaking with a theatrical edge” her work has been showcased on numerous platforms across the world with a specialty in contemporary.

Sarah’s choreographic journey began on the global television hit “So You Think You Can Dance” where she was engaged for the UK & Australian seasons. Her other on-screen credits include “Dance Academy, The Come Back”, The Voice for Jennifer Hudson, Dance Boss, Puberty Blues and Dancing with the Stars’.

As well as her notable choreographic credits onscreen, Sarah has gained much acclaim for her work on large scale productions, her most notable being the Opening Ceremony of the Arab Games (David Atkins Enterprises).

Not only has Sarah Boulter cultivated a highly successful choreographic career but she has a multitude of notable performance credits to her name. Among them, working for legendary artist Celine Dion in the resident show “A New Day” created in collaboration with industry greats Mia Michaaels and Franco Dragone. Other credits include a solo for her Majesty the Queen Elizabeth II and her Royal variety performances and the West end musical “Notre dame de Paris”.

As well as performing and creating Sarah finds passion in teaching. Teaching all around the world and receiving much acclaim, Sarah is one of Australia’s most sought after creators and mentors and finds great pleasure in sharing her knowledge to the up & coming generation of dancers.

Claudia Hastings - Teacher/ Adjudicator

Claudia began her ballet in Arizona at the Yen Li Chen Ballet school, before moving to Australia at 15 where she completed full-time studies at Queensland National Ballet and Ev and Bow culminating in the opportunity to perform with The Royal Ballet in their Brisbane tour.

Claudia has worked with Opera Australia since 2018 performing in shows such as; Aida, Anna Bolena, Best of the Operas and Atila. In 2018, Claudia won the female prize at the Brisbane International Contemporary Dance Prix, which led to her completing a short term traineeship with Sydney Dance Company, as well as performing in multiple productions with Projection Dance Company under the direction of Tim Podesta.

Claudia traveled to Oman to be a part of the creation of Lakme with world renowned director Davide Livermore and The Royal Opera House of Muscat. Claudia has most recently completed a tour performing in The Phantom of the Opera.

Sher Manu - Teacher

Sher Manu has had a passion for Dance and creative expression, telling stories through dance for most of her life. Spending most of her childhood days in the Dance studio, fine-tuning her Jazz & Tap skills, she knew she had found her passion.

Becoming the director of her own Dance studio in her late teens, Sher used this time to hone and practice her choreographic skills for many years to come.

After a successful 10-year experience in this Director's role, Sher moved to the UK to explore choreographic opportunities abroad.

Here, Sher was offered the role of Choreographer in the Professional production of 'Sleeping Beauty' the Pantomime in Cork, Ireland, amongst various other projects.

Sher returned to Australia to work on 'So You Think You Can Dance Australia' and was fortunate to work on Seasons 2 & 3.

Sher's Choreography is often described by people as 'Innovative, Quirky, Clever and Unpredictable' and she has a 'flare' for entertainment and layering.

From here, Sher's life took a different turn and she had her first child, then following a few years later went on to have her second child.

Sher is currently based in beautiful Byron Bay, NSW working as a Freelance Choreographer and is grateful to still be in the dance studio, creating stories with passionate & talented dancers.
